

Module description: Liability and Social Security Law		
Module Code	w.BA.XX.3HSVR-RI.XX	
ECTS Credits	6	
Language of Instruction/Examination	German	
Module Description	Students gain an overview of the legal aspects of social insurance within the framework of the Swiss pension system and non-contractual liability law. They will be able to classify corresponding legal issues appropriately. They acquire the legal-methodical skills and learn to implement them in a practice-oriented manner within the framework of social insurance law and liability law cases. In addition, students become familiar with insurance-relevant aspects of anti-money-laundering law.
